

**Claudio Ferri**

*Product Specialist*

**LIST**

After graduation in Financial Economics at Università Cattolica del Sacro Cuore of Milan, Claudio Ferri worked with Market Hub's Team in Banca IMI as E-Commerce Distribution Intern, dealing with electronic trading platforms related to Fixed Income and FOREX operations.

Since 2014, he fills the role of Product Specialist in LIST. In particular, he deals with functional analysis aspects related to the product Cash Management Dashboard, the LIST solution for managing treasury liquidity.
